PREBLE COUNTY, OHIO, BIRTHS 1887-1896

Volume III

These births were taken from the books found in the Probate Court of Preble County. Some of the writing is very hard to read.

No effort was made to correct spelling when it is different from the way the name is spelled today but every effort was made to transcribe writing as it was written. It is obvious some of the names were not correct and some names were entered twice with different birth dates.

When there is a question, it might be helpful to consult census records or marriage license records.
